ARTICLE I - PURPOSE

The purpose of this Intergovernmental Service Agreement (IGA) is to establish a formal binding relationship between the U.S. Marshals Service and other federal user agencies (the government) and Portsmouth City (the City) for the detention of persons charged with or convicted of violations of federal law or held as material witnesses (federal prisoners) at the Portsmouth City Jail (the facility).

ARTICLE II - SUPPORT AND MEDICAL SERVICES

1. The City agrees to accept and provide for the secure custody, care and safekeeping of federal prisoners in accordance with state and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.
2. The City agrees to provide federal prisoners with the same level of medical care and services provided local prisoners including the transportation and security for prisoners requiring removal from the facility for emergency medical services. All costs associated with hospital or health care services provided outside the facility will be paid directly by the government.
3. The City agrees to notify the U.S. Marshal as soon as possible of all emergency medical cases requiring removal of a prisoner from the facility and to obtain prior authorization for removal for all other medical services required.

ARTICLE III - RECEIVING AND DISCHARGE

1. The City agrees to accept as federal prisoners those persons committed by federal law enforcement officers for violations of federal laws only upon presentation by the officer of proper law enforcement credentials.
2. The City agrees to release federal prisoners only to law enforcement officers of agencies initially committing the prisoner (i.e. DEA, INS, etc.) or to a Deputy United States Marshal. Those prisoners who are remanded to custody by a U.S. Marshal may only be released to a U.S. Marshal or an agent specified by the U.S. Marshal of the Judicial District.
3. Government user agencies agree to maintain federal prisoner population levels at or below the level established by the facility administrator. The facility administrator may establish levels for each user agency.
4. Federal prisoners may not be released from the facility or placed in the custody of state or local officials for any reason except for medical or emergency situations. Federal prisoners sought for a state or local court proceeding must be acquired through a Writ of Habeas Corpus or the Interstate Agreement of Detainers and then only with the concurrence of the District U.S. Marshal.

ARTICLE IV - PERIOD OF PERFORMANCE

This Agreement shall be in effect indefinitely until terminated in writing by either party. Should conditions of an unusual nature occur making it impractical or undesirable to continue to house prisoners, the City may suspend or restrict the use of the facility by any or all federal agencies by giving written notice to the U.S. Marshal and the affected user agency. Such notice will be provided 30 days in advance or the effective date of formal termination and at least two weeks in advance of a suspension or restriction of use unless an emergency situation requires the immediate relocation of prisoners.

ARTICLE V - ECONOMIC PRICE ADJUSTMENT

1. Payment rates shall be established on the basis of actual costs associated with the operation of the facility during a recent annual accounting period or upon an approved annual operating budget.
2. The rate may be renegotiated not more than once per year, after the Agreement has been effective for twelve months.
3. The City may initiate a request for a rate increase or decrease by notifying the U.S. Marshal in writing at least 60 days prior to the desired effective date of the adjustment. Each rate adjustment submitted must include a completed Basic Data Sheet and Certification Form available from the U.S. Marshal. The City agrees to provide additional cost information to support a rate increase and to permit an audit of accounting records upon request of the Marshals Service.
4. Criteria used to evaluate the increase or decrease in the per-capita rate shall be those specified in the federal cost standards for contracts and grants with State and local governments issued by the Office of Management and Budget.
5. The effective date of the rate modification will be negotiated and specified on the IGA Modification form approved and signed by a Marshals Service Contracting Officer. The effective date will be established on the first day of a month for accounting purposes. Payments at the modified rate will be paid upon the return of the signed modification by the authorized local official to the U.S. Marshal.
6. Unless other justifiable reasons can be documented by the City, per diem rate increases shall not exceed the National Inflation rate as established by the U.S. Department of Commerce.
