Authority

Pursuant to the authority of Section 119 of the Department of Justice Appropriations Acts of 2001 (Public Law 106-553), this Agreement is entered into between the **United States Marshals Service** (hereinafter referred to as the "Federal Government") and the **Dane County Sheriff's Office** (hereinafter referred to as "Local Government"), who hereby agree as follows:

Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows two (2) Federal Government components, specifically, the United States Marshals Service (USMS) and the Federal Bureau of Prisons (BOP) of the Department of Justice (DOJ); to house federal detainees with the Local Government at the **Dane County Jail** (hereinafter referred to as "the facility"). For purposes of this Agreement, the term "Federal Government", as used herein, shall mean any and all of the two Federal Government components responsible for housing federal detainees, e.g. any notices required to be provided to the Federal Government, including invoices, shall be provided to the specific Federal Government component responsible for each federal detainee, or material witness.

The population, hereinafter referred to as "federal detainees," will be individuals sentenced or charged with federal offenses and detained while awaiting trial or sentencing awaiting designation and transport to a BOP facility.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of federal detainees in accordance with state and local laws, standards and procedures, or court orders applicable to the operations of the facility, consistent with federal law, policies and regulations. Unless otherwise specified by this Agreement, the Local Government is required, in units housing federal detainees, to perform in accordance with the most current versions of the mandatory standards of the American Correctional Association (ACA) "Standards for Adult Local Detention Facilities (ALDF)", and the essential National Commission on Correctional Health Care (NCCHC) Standards, and the Federal Performance-based Detention Standards (www.usdoj/ofdt/standards.htm). In cases where other standards conflict with DOJ policy or standards, DOJ policy and standards prevail.

Agreement Number. 90-99-0061

At all times, the Federal Government shall have access to the facility and to the federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period not less than 3 years.

This Agreement shall not affect any pre-existing, unrelated agreements between the parties or with any other third party or parties.

Period of Performance

This Agreement is effective upon the date of signature of both parties, and remains in effect unless terminated by either party with written notice. The Local Government shall provide no less than 120 calendar days notice of their intent to terminate. Where the Local Government has received a Cooperative Agreement Program (CAP) award, the termination provisions of the CAP prevail.

Assignment and Outsourcing of Jail Operations

Overall management and operation of a facility housing federal detainees may not be contracted out without the prior express written consent of the Federal Government.

Medical Services

The Local Government is financially responsible for all medical treatment provided to federal detainees within the facility. The Local Government shall provide the full range of medical care required within the facility including dental care, mental health care, pharmaceuticals, and record keeping, as necessary to meet the essential standards of the National Commission of Correctional Health Care's Standards for Health Services of Jails (current edition).

The Local Government will submit to the Federal Government requests for approval of all treatment to be provided outside the facility. The Federal Government shall be responsible for the cost of approved outside medical treatment, including pharmaceuticals and prescriptions acquired by any off site vendor.

In the event of an emergency, the Local Government shall proceed immediately with necessary medical treatment. In such an event, the Local Government shall notify the Federal Government immediately regarding the nature of the federal detainee's illness or injury, type of treatment provided, and the estimated cost thereof.

The Local Government shall promptly forward medical invoices for outside medical care to the Federal Government within 30 days of receipt.

The facility shall have in place an adequate infectious disease control program, which includes testing all federal detainees at the facility for tuberculosis (TB) as soon as possible upon intake (not to exceed 14 days) and read within 72 hours. TB testing shall be accomplished in accordance with the latest CDC Guidelines and the results documented on the federal detainee's medical record. The Local Government shall immediately notify the Federal Government of any cases of suspected or active TB so that any scheduled transports or production can be delayed until a physician verifies the federal detainee's TB status.

When a federal detainee is being transferred and/or released from the facility, they will be provided with seven days of prescription medication which will be dispensed from the facility. When possible, generic medications should be prescribed. Medical records must travel with the federal detainee. If the records are maintained at a medical contractor's facility, it is the Local Government's responsibility to obtain them before a federal detainee is moved.

Federal detainees may be charged a co-payment for medical services provided by the Local Government. The Local Government shall administer the program in accordance with the Federal Prisoner Health Care Co-Payment Act of 2000 (Title 18 401 3d).

Receiving & Discharge of Federal Detainees

The Local Government agrees to accept federal detainees only upon presentation by a law enforcement officer of the Federal Government with proper agency credentials.

The Local Government shall not relocate a federal detainee from one facility under its control to another facility not described in this Agreement without permission of the Federal Government.

The Local Government agrees to release federal detainees only to law enforcement officers of the Federal Government agency initially committing the federal detainee (i.e., DEA, etc.) or to a Deputy United States Marshal (DUSM). Those federal detainees who are remanded to custody by a DUSM may only be released to a DUSM or an agent specified by the DUSM of the Judicial District.

USMS federal detainees sought for a state or local court proceeding must be acquired through a Writ of Habeas Corpus or the Interstate Agreement on Detainers and then only with the concurrence of the district United States Marshal (USM).

Special Notifications

The Local Government shall notify the Federal Government of any activity by a federal detainee which would likely result in litigation or alleged criminal activity.

The Local Government shall immediately notify the Federal Government of an escape of a federal detainee. The Local Government shall use all reasonable means to apprehend the escaped federal detainee and shall only be responsible for costs borne by the Local Government. The Federal Government shall have primary responsibility and authority to direct the pursuit and capture of such escaped federal detainees. Additionally, the

Local Government shall notify the Federal Government as soon as possible when a federal detainee is involved in an attempted escape or conspiracy to escape from the facility.

In the event of the death or assault of a federal detainee, the Local Government shall immediately notify the Federal Government.

Administrative Orders & Agency Instructions

For administrative convenience, the Federal Government may request services not listed in this Intergovernmental Agreement (IGA) (i.e. Guard Service, Transportation, etc). Any individual agency orders with the Local Government shall clearly define the additional services and/or procedures, a reasonable price, if any, and state that all other terms and conditions of this IGA remain in effect.

Service Contract Act

This Agreement incorporates the following clause by reference, with the same force and effect as if it was given in full text. Upon request, the full text will be made available. The full text of this provision may be accessed electronically at this address: www.arnet.gov.

The current local government wage rates shall be the prevailing wages unless notified by the Federal Government.

Per-Diem Rate

The Federal Government will use various price analysis techniques and procedures to ensure the *per-diem* rate established by this Agreement is considered a fair and reasonable price. Examples of such techniques include, but are not limited to, the following:

1. Comparison of the requested *per-diem* rate with the independent government estimate for services, otherwise known as the *Core Rate*;
2. Comparison with *per-diem* rates at other state or local facilities of similar size and economic conditions;
3. Comparison of previously proposed prices and previous Federal Government and commercial contract prices with current proposed prices for the same or similar items;
4. Evaluation of the provided jail operating expense information;

The firm-fixed *per-diem* rate for services is **\$80.45**, and shall not be subject to adjustment on the basis of **Dane County Jail's** actual cost experience in providing the service. The *per-diem* rate shall be fixed for a period from the effective date of the Agreement forward for 24 months. The *per-diem* rate covers the support of one federal detainee per "federal detainee day", which shall include the day of arrival, but not the day of departure.

After 24 months, if a rate adjustment is desired, the Local Government shall submit a request through the *eIGA* area of the Detention Services Network (*DSNetwork*). All information pertaining to the jail on *DSNetwork* will be required before a new *per-diem* rate can be considered.

The *per-diem* rate covers the support of one federal detainee per "federal detainee day", which shall include the day of arrival, but not the day of departure.
